An aerial, top-down view of a multi-lane highway. The road is black with white dashed and solid lane markings. Scattered across the lanes are numerous small, colorful toy cars. Some are yellow school buses with 'School BUS' written on them. Others are purple taxis with 'TAXI' written on them. There are also blue cars, red cars, and a white car with 'TRANSPORTES EL DESFO' on its side. The cars are arranged in a way that suggests traffic flow from the top-left towards the bottom-right. The overall style is that of a pop-art or graphic design illustration.
